

SCRIPTDIO

Review

Created by: Arunas Bruzas

A group of seven business professionals, four men and three women, are silhouetted against a large, curved glass window. They are standing in a modern office space with a highly reflective floor that mirrors their figures. The scene is bathed in a cool, blue light, suggesting an overcast day or a specific lighting scheme. The window looks out onto a cityscape with buildings and trees. A prominent red button with white text is overlaid in the center of the image.
